INT. ROOM - DAY

LISA - a normal women between 20 and 25, mid long black hair - comes into the apartment. She goes to the sofa and sits down. JAMES - a normal guy between 22 and 27, short brown/black hair, dressed in jeans, a shirt and a jacket - comes after Lisa into the apartment with a few travel documents in his hand. James sits down and looks to the travel documents. Lisa takes the Venice documents and looks interested. James looks to the Paris documents and looks interested. James put the documents on the bed and goes to the balcony. Lisa puts also the documents at the bed and goes also to the balcony.

JAMES

So what do you think?

LISA

I don't know.

JAMES

What?

LISA

I said I don't know yet.

Lisa looks thinking. James looks into the apartment to the documents.

JAMES

Why not?

LISA

I'm just not sure.

JAMES

Come on, we don't have much time.

Lisa moves towards the documents.

LISA

Just a minute.

Lisa sits on the sofa with the documents in her hand and has that idea if they would spend half the time in Paris and the other half in Venice it could work.

James moves towards Lisa and sits beside her.

JAMES

Well?

LISA

Well what?

(CONTINUED)

JAMES

What do you want to do?

LISA

How about trying this?

Lisa shows her plan to James. He looks sceptically to the documents and sees that she could managed that they could do both places in their holidays.

James laughs, goes to the fridge and opens a bottle of sparkling wine and fill two glasses with it. He goes to her and they clink their glasses to celebrate.
